A GENTLE FESTIVAL OF WELCOME

NCAD Gallery, D08K521
Monday 9th Wednesday 11th November
11am -8pm

Jennie Moran in collaboration with The Bare Project

Led by Saada Osman, we will spend three days weaving a living room using traditional Somali nomadic Alool practices.

Everyone is welcome to call in and to do some weaving. As the living room takes shape, we will host gatherings in it. Workshops, talks, meetings, demonstrations.

And all the while we will think about how to create a site of hospitality.
